Re: *Gaujacq v. Electricite de France International North America, et al.*
Civil Action No. 1:05CV0969

Dear Dorothea:

Enclosed please find documents bates numbered 2829 - 2832 consisting of documents recently obtained from Credit Mutuel, Ms. Gaujacq's bank in France. By producing these documents, Ms. Gaujacq is in no way representing that such documents are either responsive to any of Defendants' Requests for Production of Documents or that they were in her possession, custody or control at the time such Requests were made.

Plaintiff reiterates the statement in her Opposition to Defendants' Motion to Compel the Production of Documents, which Motion is currently pending, that she has produced all documents in her possession, custody or control in response to Defendants' Request for Production No. 16 and that Defendants' Motion with respect to that Request is moot.

Yours truly,

S. Christian Wickwire
